

Emu Nest Foundation

Emu Nest Foundation was established as a not-for-profit entity to manage charitable projects that contribute to cultural and economic participation, development and sovereignty.

EMU NEST FOUNDATION PTY LTD

ACNC-REGISTERED NOT-FOR-PROFIT · ACN: 639 865 795

Emu Nest Foundation has a series of registered businesses to fulfil the purpose and objectives that expressly support the "economic and social empowerment of Aboriginal and Torres Strait Islander peoples". Emu Nest Foundation is registered with ACNC with DGR and PBI status.

GATHER FOUNDATION

Empowering Aboriginal leadership and protecting ICIP. Roelands Transformation Project is the primary project — native food farming, hospitality, tourism and cultural immersion.

INDIGENOUS BUSINESS COUNCIL (IBC)

Advancing Indigenous business integrity, strengthening cultural and economic development, and driving First Nations wealth creation and economic sovereignty.

INDIGENOUS BUSINESS INTEGRITY REGISTER (IBIR)

Indigenous business integrity framework reviewed by academics and progressing through Standards Australia and ISO pathways.

NYOONGAR 2050

Sovereign Wealth & Integrity Strategy. Owned and governed by IBC and gifted to the Nyoongar Community at the recent MARNDA — Nyoongar Gathering.

INDIGENOUS FUTURE LEADERS ASSEMBLY (IFLA)

Engaging Indigenous business students in the economic conversation under the guidance of Elders and a cultural legitimacy framework.

CHARITABLE PURPOSES

To support and empower Aboriginal and Torres Strait Islander peoples through the promotion, protection, and sustainable development of native food industries that are culturally respectful, economically viable, environmentally sustainable, and socially progressive. This is achieved by preserving Aboriginal cultural heritage, intellectual property rights, and biodiversity, while fostering leadership, education, employment, and community resilience in line with the organisations' charity purpose.
